

Drury Information Update

8th March 2024

Confident

Ambitious

Resilient

Respectful

Family

A full newsletter will be issued before the Easter break. In the meantime. . .

A huge thank you goes out to Celtic Financial who kindly donated digital doodle pads to our school. This amazing technology helps to develop children's fine motor skills, literacy and numeracy. We are especially pleased with these sustainable devices as they require no ink and help us to make savings on paper. The children have had tonnes of fun with them already.

Thank you to Ian Ewart who brought us a whole trailer full of chippings for our forest school activities. This kind donation is going to be very useful for projects that are planned inside our woods this springtime.

Thank you to all our parents and grandparents who came in on St David's Day to view the children's Eisteddfod work in the school hall. It was lovely to see so many of you admiring and enjoying all the creativity the children had produced in honour of this special day.

Mr Catherall our school caretaker, seen here as drawn by one of our children, has been busy inside the school building some new spaces for us. We look forward to the new library nook that all the children will enjoy. He has also been painting areas of the school giving it a lovely clean and freshen up.

Thank you once again goes out to Lester's Farm Shop, for their continued generosity. The children were able to plant up the front borders and planters with beautiful spring flowers. The children will tend to these learning valuable lessons about growth and nurture.

The more we learn the more we know, Ysgol Drury is a great place to grow.
