

# Drury Information Update

Summer Term May 2024

Confident

Ambitious

Resilient

Respectful

Family

## Summer Term Topic : A Journey To.....

Our topic Super Starter was a visit by Eleri Griffith, from "The Size of Wales," who led workshops for all the children focussed on the rainforest. The children are loving this topic. They have been travelling the world and travelling through time in their lessons in and outside of the classroom! We will share more on this on the school Facebook page and in the end of term newsletter.

Drury Primary

**THANK YOU** – To all our friends and families who have purchased from our Amazon Wish List. Your kindness has been overwhelming and I would like to express our gratitude, on behalf of all our staff and children, to all who have contributed so far. It makes a huge difference to the activities and experiences we can offer which creates a better learning environment for all. This has been possible because of the fantastic response by our school community.

**THANK YOU** – To Charlotte Harvey who ran the London Marathon and raised money for our school. What an amazing achievement – she is an inspiration. The whole school is so very grateful to her for running in our honour. We will share with everyone where this money goes in the end of year newsletter.

*The more we learn the more we know, Ysgol Drury is a great place to grow.*
