## Top Table.

We have a new initiative starting on Monday to reward our children for their improving behaviour and table manners in our dining hall. Each week 6 children will be selected by our senior midday supervisor Mrs Ashley. This will be based on those who tidy their litter away, observe all our dining hall rules, help others and remember their please and thank you's. The top table will be laid out beautifully and Mrs Jones will join the children as they eat together. All our children will pay the top table a visit and I know they are excited to find out who will be selected next!

Details for Parents Evenings on April 2<sup>nd</sup> and 3<sup>rd</sup> will follow in due course.

Thank you goes out to Rob Lewis of Celtic Financial Planning Ltd for his generosity. His donation has enabled us to purchase a selection of Rhino readers books for our Foundation learners. These books have been a huge hit and the children are loving the simplistic text and illustrations as they start out on their reading journey.

The children have been really excited to start the new topic "Changes." They have contributed some fantastically creative ideas about where to take the topic and staff have been busy planning activities for them.

Thank you as always for your continued support of our school.

Best wishes

Elizabeth Jones
