## The Admission Number for Ysgol Gynradd Drury for September 2024 is 22

The governing body will act in accordance with the Admissions Code and will give full recognition to the expression of parental preference in the context of its duty to ensure the provision of effective education and the efficient use of educational resources.

The governing body will not refuse applicants to the school unless the school has reached its Admission Number of 22. The governing body will not expand the school to meet demand which does not meet the admissions criteria and will admit pupils of the relevant age group up to the Admission Number of 22.

### Procedure

- Arrangements will be in place annually to accept pupils for admission to the school. Expressing a preference does not guarantee a place at the school. If the school is oversubscribed, then the oversubscription criteria will come into operation.
- Applications must be made on an official electronic application form on the Flintshire County Council Admissions Portal (Link Below)

<https://www.flintshire.gov.uk/en/Resident/Schools/School-Admissions.aspx>

- All applications for Nursery and Reception places must be received by the published date.
- Places for full time education in Reception will be considered in accordance with the criteria up to the School's Admissions Number.
- In cases when the school is oversubscribed, arrangements will be made for parents to discuss the matter with the head teacher and to be provided with information about the appeals procedure.

Parents who apply for a place other than at the normal stages of admission will be given the same opportunities as those outlined above.

## OVERSUBSCRIPTION CRITERIA

### Nursery

Pupils will be admitted to non-statutory part-time nursery education in the September following the child's 3<sup>rd</sup> birthday. Nursery education is not compulsory and parents have no right of appeal regarding nursery admissions under the School Standards and Framework Act 1998. Where applications for admissions exceed the number of places available (Admission Number of 22) the following criteria will be applied, in the order set out below.

1. The School will consider the needs of a "looked after child" or "previously looked after child" (child in care) and pupils with a statement of educational needs for whom the school is the nearest appropriate school to the pupil's home address.
2. Pupils for whom the school is the nearest appropriate school to the pupil's home address.
3. Pupils who will have a sister or brother attending the preferred school on the expected admission date. The 'sibling rule' will only be applied for the statutory period of education i.e. up to Year II.
4. Pupils for whom the preferred school is not the nearest to their home address. Pupils will be admitted in order of proximity to that alternative school and up to its Admission Number.

### Nearest Appropriate School

An appropriate school is deemed to be the school closest to the pupil's home address which provides education for the relevant age, ability and aptitude of a pupil and for any additional needs he/she may have.

### Distance from School

Within each category, priority will be given to those living nearer the School.

Distance from the school will be measured from the child's home address to the centre-point of the school building. This will be the shortest distance by all-purpose public highway and all other rights of way with paved and/or metalled surface. Public footpaths and bridleways across fields are specifically excluded.

Drury Primary School uses the same system as Flintshire County Council as an aid when calculating the distance from school to the child's home address.

The Council uses a Geographical Information System (GIS) to calculate the shortest home to school distance in miles. This is integrated into the Capita ONE software. The co-ordinates of an applicant's home address are determined using the Local Land and Property Gazetteer (LLPG) and Ordnance Survey (OS) Address Point Data. The starting point for a route assessment is determined as the nearest point on the walking route network from the pupil's address (usually the main entrance to the property), to the centre-point of the school building. The network is updated annually.

It should be noted that transport will only be provided in accordance with the Council's Transport Policy. Where, as a result of parental preference, a pupil attends a school other than the nearest appropriate school, as recognised by Flintshire County Council; it must be understood that parents accept full responsibility for transport costs and arrangements.

### Siblings (Brother/Sister)

A sibling is defined as a full, half, step, adopted or foster brother or sister living together as one household at the same address and where the elder sibling is of statutory school age and will still be registered at Drury Primary School when the younger child is eligible to attend. In considering siblings, first priority will be given to applications from multiple birth children.

### Multiple Birth Children

Twins, triplets, quadruplets, etc., residing at the same address and applying for places in the same year group will be given priority for admission in the main admissions round under the 'sibling' criteria. If it is not possible to offer places to all multiple birth children residing at the same address and applying for places in the same year group, Drury Primary School will contact the Authority with the view to offer places for all of those multiple birth children at the next nearest appropriate school with available places.

### Child's Permanent Home Address

When applying for a place at the school, the governing body will only accept the pupil's permanent home address and not that, for example, of childminder, grandparent, relative or friend. Parents will be asked to provide official documentation at the time of application demonstrating home address. Parents are advised that a school place may be lawfully withdrawn if the information given on the application form is fraudulent or misleading.

*The more we learn the more we know, Ysgol Drury is a great place to grow.*

Parents will be required to accept or decline the school place offered by Drury Primary School. Once an offer of a place is made, parents have 14 days only in which to accept that place in writing. Failure to do so within this period will mean that the place will be offered to another applicant as appropriate.

### Application Forms

- Applications must be made on an official electronic application form on the Flintshire County Council Admissions Portal (Link Below)  
<https://www.flintshire.gov.uk/en/Resident/Schools/School-Admissions.aspx>
- These will be available in accordance with the published dates. Parents will be asked to provide official documentation showing their child/children's date of birth.

### Waiting Lists

If a parent is refused a place for their child at Drury Primary School during the normal admission round, the school, in agreement with the parent, place the child's name on a waiting list until 30<sup>th</sup> September in the school year in which they apply. If additional places become available while the waiting list is in operation, and before any appeals are heard, these will be allocated to applicants on the waiting list in accordance with the oversubscription criteria and not according to the date the application was submitted.

Parents can accept a place at an alternative school and still pursue an appeal at Drury Primary School. Placing a name on the waiting list however is not a guarantee of an eventual place at the school and does not affect the parents right of appeal.

### **Note:**

Admission to the Nursery Class does not guarantee subsequent admission to Reception Class at the school. A separate application must be made for transfer from the Nursery Class to Reception Class.

Some children may require special educational provision which is over and above that which a mainstream school could reasonably be expected to provide. The Local Authority will assess the needs of such pupils in accordance with the guidelines laid down by the Code of Practice. Where the
