

Drury Dates

18th November 2025

Resilient  Respectful  Family 

I am delighted to report that we raised a wonderful £119.70 for Children in Need. Thank you to all those that donated so generously. The children looked very bright dressed in yellow and showed real empathy when learning about all the good that the Children in Need charity does.

The Book Fair is coming to an end and we would like to thank everyone who has been to view the books and make orders. The school will benefit greatly from your purchases and will be able to order additional books for our classrooms.

Finally, thank you to all those who have signed up for <https://www.easyfundraising.org.uk/causes/drury-primary-school/>

Your contributions are building up and we have £200 in the pot! We continue to be delighted by all the Amazon purchases that arrive, especially card and shiny bits at this festive time of year.

We are so grateful to our school community who continue to look for ways to support our lovely school.

*The more we learn the more we know,
Ysgol Drury is a great place to grow.*
