Respectful

Family

ALL of our wonderful children have settled back into school really well. Our new Nursery children have been so brave, leaving parents and discovering their new classroom -they have been an absolute delight! We are proud of every single child and pleased to see they all look so smart and are very well

prepared to start their Autumn Term journey.

- We have a request from our Nursery, Reception and Year 1 classrooms for donations of chippings or bark for the outdoor classroom please. Over time, the weather breaks these materials down and they are quite costly to replace in large quantities. Any bags you may have left over from the summer would be put to good use here. Thank you.
- If we have any green fingered families that would be able to help staff weed, tidy and improve the outside area, your help would be gratefully received. Please let us know if you can help.
- THANKS go out to Dave Van Delden for keeping our front lawns so beautifully neat and tidy for us over the summer months. He was kind enough to volunteer his time so that we all returned to a smart, front entrance this September.
- Mr and Mrs Catherall watered the school flowers over the summer too, which was much needed in that glorious sunshine. So please join me in thanking them as well for their generosity.

- We will be hosting our annual Macmillan Coffee Morning on Friday 26th September at 8:30am – 11am.

We would appreciate donations of cakes and biscuits to sell to the local community and the children on the day. Please spread the word as everyone is welcome to help us raise money for this important cause. This will be Drury's 21st Macmillan Coffee Morning event! We ask kindly that cakes and biscuits are brought the day before to allow us to set up.

- This year we will have a Cup Cake Competition. Everyone is invited to decorate a cup cake – entry fee £1 and these will be judged on the day. Please bring your entries in the day before. If the children (or adults) create a cup cake, they may take this back to eat after the judging.

All of the children have now attended the trip to Ebenezer Baptist Church as part of our local community links. This experience is part of teaching the children respect for all religions. Through this they will learn to be tolerant of others values and beliefs that may or may not match their own. Thank you to Pastor Richie for the gift bags.
